SUMMER CAMP FOR ELEMENTARY SCHOOL CHILDREN

(including those attending Kindergarten in the Fall)

June 18, 2018 – August 31, 2018

At Child's Garden, we feel that summer time should be vacation time for children. After working so hard throughout the school year, children should have an opportunity to relax, build friendships, and have fun while participating in a variety of activities.

We have a soccer clinic, drumming, Martial Arts, Lego land, gardening, STEM activities, cooking and themed activities.

Each day, campers are taken to Atholton Swim Club for lunch and recreational swim. Optional swim lessons are available at an additional fee through Atholton Swim Club during the first four weeks of camp. After our fun-packed mornings and pool time we return to the center for some time to relax.

Our goal is to provide a safe and fun atmosphere where campers can build upon existing skills, take on new challenges, achieve personal growth and enjoy friendships. A relaxed and fun-filled summer will help to make the approaching school year more successful both academically and socially for your child.

Our counselors exceed county requirements and are CPR and First Aid certified.
