### SUMMER CAMP

Dear Parents:

Summer camp is fast approaching. In preparation for camp there are three forms we need to have completed for each student. They are attached to this email, available in the office, and on our website.

**These forms are due back to us by June 4<sup>th</sup>, 2018.**

#### **Permission to Walk**

Each day during camp, the students are taken to the Atholton Swim Club for swim lessons followed by Recreational Swim. A "Permission to Walk" form must be completed for each camper.

#### **Sun Block (Medication Administration Form)**

To help protect your child from the summer sun, we strongly encourage application of sun block **before** arriving at the center. Please complete a "Medication Administration" form for each camper for us to apply sunblock before departure to the pool. Along with the form, **you must provide Child's Garden with a bottle of lotion labeled with your child's name.**

#### **Recreational Swim**

While at the pool each day, your child may participate in the Recreational Swim program at the pool. Pool fees are included in the summer camp tuition. **You must complete the Pool Waiver form for your child.**

#### **Swim Instruction (optional):**

Optional swim instruction is available to Child's Garden campers through Atholton Swim Club. To register your child for the swim lessons, <http://atholtonswimclub.weebly.com/>. Submit a copy of the receipt to Child's Garden.

We are looking forward to a great Summer Camp this year!

**The Child's Garden Staff**
